1.9 adjoining the service area of the Centennial Joint Powers Fire Department as of March 1,
1.10 2015, between May 1, 2015, until December 31, 2017, the firefighter may elect to transfer

1.12 Fire Department as provided in paragraph (b) and to have prospective firefighting service
1.13 treated as a continuation of past firefighting service for vesting and benefit computation

1.25 or receivable must be transferred from the Centennial Volunteer Firefighters Relief
1.26 Association to the applicable account in the voluntary statewide volunteer firefighter
1.27 retirement plan. The transferring good time service credit must be the years and months of

2.15 as applicable to the asset transfer must be applied to the net accounts payable/receivable
2.16 amount, with the result deducted from or added to the ultimate transfer amount. Any

2.21 of the successor of the volunteer firefighter relief association or the executive director of
2.22 the State Board of Investment, whichever applies, determines that the transfer may be
2.23 made on an investment security basis, and if so determined, must be in the investment
2.24 security portfolio mix specified by the secretary of the successor of the volunteer firefighter
2.25 relief association or the executive director of the State Board of Investment.

2.26 (e) The transfer of good time service credit and accrued liability constitutes a
2.27 forfeiture of any claim by the transferring firefighter to any service pension or ancillary
2.28 benefit payment from the Centennial Volunteer Firefighters Relief Association as of the
2.29 transfer date and must be so reflected in any financial reporting of the Centennial Volunteer
2.30 Firefighters Relief Association as of the December 31 preceding the transfer date.

2.31 (f) With respect to any transferred firefighter under this section, the successor
2.32 volunteer firefighter relief association or the account of the voluntary statewide volunteer
2.33 firefighter retirement plan applicable to the successor fire department is the successor in
2.34 interest to the Centennial Volunteer Firefighters Relief Association and has and may assert
2.35 any applicable defense that the Centennial Volunteer Firefighters Relief Association could
