

**SF xxxx (Rosen); HF 1678 (Youakim):  
Reinstating state aid to local governments to fund  
employer contributions to the  
Public Employees Retirement Association (PERA)**

*Prepared by: Susan Lenczewski*

*Date: March 1, 2021*

## Introduction

- Laws Amended:** Minnesota Statutes, section 273.1385, subdivision 4.
- Brief Description:** The bill reinstates the 1997 local government aid that reached its sunset date on June 30, 2020. The bill continues the aid until the earlier of June 30, 2048, or the end of the fiscal year following the fiscal year in which the PERA General Employee Retirement Plan (PERA General Plan) is fully funded.
- Attachments:** March 11, 2020, letter to the chairs of the House and Senate state government committees and tax committees  
May 23, 2019, letter to Governor Walz and House and Senate leadership  
March 22, 2019, Revenue Estimate of HF 2387 / SF 2488 (2019)  
"PERA Aid to Local Governments - Pay 2019 (Certified)" listing aid amounts by local governmental unit

## Background

### Previous Commission action

Identical versions of this bill were introduced during the 2019 and 2020 sessions (*HF 2387; SF 2488 and HF 4018; SF 4066*) to prevent the state aid from terminating. The 2019 bill (HF2387; SF2488) was approved by the Commission at its meeting on May 23, 2019, during the interim between the end of the regular session and the special session. At the meeting, the Commission approved a motion requesting House and Senate leadership and the Governor to take up the bill during the special session and provide the necessary funding.

At its March 10, 2020, meeting, the Commission considered the 2020 bill (HF4018; SF4066). The Commission voted to forward a letter recommending passage of the bill to the House and Senate government operations and taxes committees. The 2020 email to committee chairs and the 2019 letter to the governor and leadership are attached. The language of the current bill, HF 1678, is identical to the 2020 and 2019 bills.

## 1997 state aid for PERA employer contributions

In 1997, the legislature approved a significant public pension reform package that included increases in the rates for employer and employee contributions to the PERA General Plan. To help local government employers pay the higher employer contribution, the legislature approved the payment of an annual state aid based on total payroll for employees covered by the PERA General Plan. At that time, the plan was projected to be fully funded in 2020, so the legislation terminated the aid on June 30, 2020.

However, as of June 30, 2019, the PERA General Plan was 80.2% funded, with \$22.4 billion in assets (market value) and \$28 billion in liabilities. As of June 30, 2020, the PERA General Plan was 79.1% funded, but, assuming all current actuarial assumptions are met, is expected to reach 100% funded in 2048.

In 1997, the amount of the annual payment was approximately \$15 million. Since then, the amount has declined, as total payroll and the number of employers declined. The state aid is paid in two installments, by July 20 and December 26. The total aid for FY 2020, the last year in which the aid was paid, was \$13.919 million. The aid terminated on June 30, 2020 and so no aid has been paid during FY 2021 (July 1, 2020 - June 30, 2021).

## Summary of the Bill

SF xxxx (Rosen); HF 1678 (Youakim) amends Minnesota Statutes, Section 273.1385, which authorizes the payment of the annual state aid to local governments to cover the cost of increased employer contributions to the PERA General Plan. Subdivision 4 states that the aid provided under this section terminates on June 30, 2020.

The bill amends subdivision 4, by replacing the current June 30, 2020, termination date with a new provision that states that the aid continues under the earlier of:

1. the last day of the fiscal year after the fiscal year in which the PERA General Plan's assets equals or exceeds liabilities, i.e., becomes fully funded; or
2. June 30, 2048, which is the end of the current 30-year amortization period.

## Fiscal Impact

A revenue estimate, dated March 22, 2019, was prepared for the 2019 bill and is attached. It estimates expenditures from the state's general fund for the next two years as follows:

FY 2022: \$13.150 million

FY 2023: \$13.100 million

---

Dear Senator Mary Kiffmeyer, Representative Mike Freiberg, Senator Roger Chamberlain, and Representative Paul Marquart,

I am providing this notice to you in your capacity as Chairs of the Senate State Government Finance and Policy and Election Committee, House Government Operations Committee, Senate Taxes Committee, and House Taxes Committee, respectively. Last evening, March 10, 2020, the Legislative Commission on Pensions and Retirement considered HF 4018; SF 4066: Extending the 1997 state aid to local governments to fund increased employer contributions to the Public Employees Retirement Association (PERA). The Commission recommended the bill to pass and recommended that it proceed separately for consideration by the House Government Operations Committee and the Senate State Government Finance and Policy and Elections Committee, to which the respective house and senate bills were referred on introduction. The Commission did not take action to include the bill in its 2020 pension bill.

A bill identical to HF 4018; SF 4066, was introduced as HF 2387; SF 2488 during the 2019 session and referred originally to the respective state government/government operations committees in the House and Senate. HF 2387 was later withdrawn and re-referred to the House Taxes Committee. No further action was taken in a House or Senate committee during the regular session. The Commission did not take action on the bill until its meeting on May 23, 2019, during the interim between the end of the regular session and the special session. The Commission approved the bill and recommended its passage and transmitted a letter to House and Senate leadership and the Governor requesting its passage. During the special session, an amendment was offered in the House to the Special Session Tax Bill to include the language of the bill, but the amendment was not approved.

Please feel free to contact Commission Chair Mary Murphy or me if you have any questions.

Re: State aid to local governments to fund employer contributions to the PERA General Plan

Dear Governor Walz, Representatives Hortman and Winkler, and Senators Gazelka and Miller:

The Legislative Commission on Pensions and Retirement met this morning to consider a draft pension bill. The bill was approved for introduction during the 2019 special session.

In addition, the Commission approved the following motion:

"That the Legislative Commission on Pensions and Retirement recommends to the legislature, House and Senate leadership, and Governor Walz that, during the 2019 special session, the state aid to local governments for increased contributions to the general employees retirement plan of the Public Employee Retirement Association (PERA General) under Minnesota Statutes, section 273.1385, not sunset on June 30, 2020, as provided in subdivision 4, but be extended until the earlier of (1) the last day of the fiscal year immediately following the fiscal year in which the actuarial value of assets of PERA General first equals or exceeds the actuarial accrued liabilities of the plan as reported in the annual actuarial valuation prepared under section 356.215, or (2) June 30, 2048; and, further, that this law change shall take effect immediately upon enactment."

This motion relates to state aid paid to approximately 1,500 local taxing authorities that is due to sunset under current law on June 30, 2020. This state aid has helped counties, cities, townships, libraries, nursing homes, utility companies, and other public entities pay required employer contributions to PERA since 1997. The state aid was intended to extend until PERA General reached full funding, predicted to occur in 2020. At approximately 82% funded, PERA General has not reached full funding and the increased level of employer contributions will continue.

The impact to the general fund was estimated by the Department of Revenue to be \$13,210,000 for FY2021, \$13,150,000 for FY2022, and \$13,100,000 for FY2023.

Without the extension of this state aid, Minnesota residents across the state will be asked to pay more in property taxes to replace this aid or public employers will have to reduce other services to fund PERA contributions.

We encourage you to reconsider your decision not to extend the state aid. This provision is not currently in the draft pension bill, but with a target for pensions, the Commission would meet again to amend the bill for this provision.

Sincerely,

Representative Mary Murphy, Chair  
Legislative Commission on Pensions and Retirement

cc: Commissioner Myron Frans, Minnesota Management and Budget  
Commissioner Cynthia Bauerly, Department of Revenue  
Members of the Legislative Commission on Pensions and Retirement

Income Tax Interactions	\$0	\$260	\$260	\$260
<b>General Fund Total</b>	<b>\$0</b>	<b>(\$13,210)</b>	<b>(\$13,150)</b>	<b>(\$13,100)</b>

Effective the day following final enactment.

**EXPLANATION OF THE BILL**

Under current law, state aid to local governments to help pay for employer contributions to the Public Employees Retirement Association (PERA) terminates on June 30, 2020.

Under the proposal, PERA Aid would continue until the earlier of:

1. the last day of the fiscal year immediately following the fiscal year in which the actuarial value of assets of the PERA general employees retirement plan first equals or exceeds the actuarial accrued liabilities of the plan; or
2. June 30, 2048.

**REVENUE ANALYSIS DETAIL**

- Estimates are based on the February 2019 forecast.
- Aid amounts paid to jurisdictions cannot increase. However, if a PERA unit privatizes or otherwise disbands, aid payments cease.
- Based on aid payments in previous years, a slight annual decrease in total aid is assumed.
- It is further assumed that local governments would reduce their levies by a portion of the PERA Aid payments. Under this assumption:
  - Property taxes would be reduced in jurisdictions receiving the additional aid.
  - Lower property taxes paid by homesteads would decrease state-paid property tax refunds beginning in FY 2021.
  - Lower property taxes would also reduce deductions on corporate and individual income tax returns, increasing state income tax collections beginning in FY 2021.
- The net cost to the state general fund would be an estimated \$13.2 million in FY 2021.
- Tax year impacts are allocated to the following fiscal year.

**PROPERTY TAX BENCHMARKS (Minn. Stat. § 270C.991)**

---

<i>Transparency, Understandability, Simplicity &amp; Accountability</i>	Neutral
<i>Efficiency &amp; Compliance</i>	Neutral
<i>Equity (Vertical &amp; Horizontal)</i>	Neutral
<i>Stability &amp; Predictability</i>	Neutral
<i>Competitiveness for Businesses</i>	Neutral
<i>Responsiveness to Economic Conditions</i>	Neutral

---

*The bill is scored on a three point scale (decrease, neutral, increase) for each principle in comparison to current law.*
