Subject: Teacher Pension Reform on Monday

Hello Lisa,

I understand there are many folks vying for funding due to the surplus. I'm writing to ask you to advocate for the 60/30 compromise on the teacher pension reform; it is less expensive than the other proposal and therefore much more likely to make it---and I cannot emphasize enough how important some kind of reform is to restore equity in pension for teachers!

If I can be helpful in any way to advocate for ANY pension reform for teachers, I'm absolutely willing to lend my time and energy. Please let me know.
