Dear members,

I am writing to you as an elementary special education teacher from Milaca, MN I have 30 years experience. Please support Pension Reform for Tier II teachers by voting in support of HF3100 (Her) and SF3162 (Frenz) today. Tier II teachers in Minnesota have one of the worst teacher pensions in the nation and it is time to make a difference. Now is the time, please help us! Teachers should not have to teach until they are 66 years old to get full pensions.

Sincerely,

Belinda Ash
