Chair Frentz and Pension Committee members,

The Minnesota Correctional Officer Retirement Association fully supports **SF4721 (Frentz); HF4514 (Lillie): PERA Correctional; reducing the employee and employer contribution rates and increasing the postretirement adjustments.**

This Bill benefits PERA Correctional Officers, the Employers and the taxpayers. The PERA Correctional Plan is funded at 105% and this is the right time to enact this change.

Signed,

The MNCORA Executive Board
