

SAINT PAUL FEDERATION  
OF EDUCATORS LOCAL 28

March 11, 2026

To whom it may concern:

The St. Paul Federation of Educators supports legislation that would move SPTRFA toward parity with statewide TRA. We support legislation that would allow for reduction in employee contributions, increases in COLA, and reduction of early-retirement penalties. These changes would represent an important step toward pension improvements for St. Paul educators and will strengthen recruitment, retention, and long-term work force stability in our public schools.

Thank you,

SPFE Executive Board
